Friday 27th September 2024

Dear Parents and Carers,

School Photographs

The school photographer was in this morning and managed to capture images of all our children and staff. Look out for the card with the QR code which your child should bring home with them today. This will give you online access to the images once they have been uploaded. There are also instructions about how to place an order.

Judo

Is your child interested in starting to learn Judo? We have a club here on a Monday morning before school. It is run by a private external provider but if you would like any further details, do contact the school office.

Nuts

Please remember that we are a nut free school. We have some children in school who are allergic to nuts and any products associated with them such as nut oils. For this reason, we need to ensure that no nut products are brought to school. Please check the ingredients lists very carefully on any items that your child brings to school for their lunch or snack and make sure that anything with reference to nuts does not come to school with them. Thank you for supporting us in this way to keep all our children safe.

Open Mornings

Bookings for our Open Mornings for parents and carers of prospective September 2025 Foundation Stage children have been very popular. They will take place on Thursday 3rd October and Wednesday 23rd October. There are still some spaces available and appointments can be made by calling the school office. Our Year 6 children looking forward to hosting our visitors.

Iron Sam

We are all very proud of Sam who completed his incredible challenge last weekend. After 100 miles on his exercise bike on Friday, he ran his marathon on Saturday. He received a lot of support from the children of Tadley and their families, including a group of Year 6 children who went to Sainsbury's on Friday to carry out bag packing.

Our very own Mr Pickering ran a significant part of the way alongside Sam, and Brandon and Skye from Year 6 joined him too. Their support as he ran around Tadley made a huge difference to Sam and kept him going. So far, he has raised an incredible £7,000 which exceeds his target of £5,000. Thank you, Sam, for all you do for all our local schools.

If you have yet to donate but would still like to, please follow the link below.
